# Your food

Our in-house Chefs freshly prepare each dish using the finest, most seasonal products: 80% of ingredients are British grown, with a focus on only seasonal fruit and vegetables.

We also work with Fairtrade suppliers to ensure we use ethically sourced ingredients wherever possible. We offer an array of delicious Wedding Breakfast menus, with a wide variety of options for your evening reception. Many of our menus include plant-forward dishes and choices suitable for all dietary requirements.

In the fight to help reverse climate change, our Chefs look to minimise waste, wherever they can. Whatever we're cooking, we believe in more taste and less waste! If you're looking for a more sustainable wedding, please let us know as we can give you the carbon footprint of our menus, helping you to make better choices for the planet!
